

## Partnership Building Activity in Romania

A Partnership Building Activity for youth workers was held in Ramnicu Sarat, Romania from 01 April 2024 to 12 April 2024.

Under the leadership of Abdullah Gül University Youth Factory, Dr. Sinan AKYÜZ from the Department of Architecture, Lecturer Levent DEMİR from the Erasmus Office and Şüheda ŞEN from the Technology Transfer Office participated in the event to represent Abdullah Gül University.

30 participants from 12 different countries participated in the event. During the program, activities such as promotion of European Union values, promotion of sustainability, youth works, project writing, press conference, intercultural days and debates were organized.

## Erasmustern International Staff Week

AGU hosted Erasmustern International Staff Week.

Abdullah Gül University Erasmus Office organized International Staff Mobility Week together with ERASMUSTERN consortium project partners. The event, which was held between 20-24 May 2024, was attended by staff responsible for internationalization of higher education institutions from abroad and Erasmus offices of consortium member universities.

At the event, 20 participants from 10 different countries represented 13 different institutions.

On the first day of the event, after the opening speeches of Abdullah Gül University Faculty Member Assoc. Prof. Dr. Adil ORAN, Assist. Prof. Dr. Sinan AKYÜZ made a pres-

entation introducing the city and the university. On the second day, the participants opened a booth in the AGU Exhibition Hall and introduced their institutions to students and other institution members. In the afternoon, a city tour was organized with a guide.

Our consortium partners Sivas University of Science and Technology, Sabancı University, AGU Sustainability Office and AGU Youth Factory organized workshops in the morning session on the third day.

After the workshops, the participants visited our consortium member Erciyes University in Kayseri.

After the visit to Nuh Naci Yazgan University on the last day, certificates were delivered with a feedback session and the event program was completed.

## Workshop on "Eco-Friendly Cities" (SDG 7,11,13)

Our ERASMUSTERN consortium project partner Prof. Dr. Muhammad Asim from Sivas Science and Technology University Faculty of Agricultural Sciences and Technologies organized a workshop titled "Eco-Friendly Cities" within the scope of the International Staff Mobility Week coordinated by Abdullah Gül University Erasmus Office.

Prof. Dr. Asim held a question and answer session with the participants after his presentations and answered their questions on the subject.

## Workshop on "Environment and Lobbies" (SDG 7,13)

AGU Youth Studies Application and Research Center Director Dr. Bora Akince hosted the workshop titled "Environment and Lobbies" within the scope of the International Staff Mobility Week organized by Abdullah Gül University Erasmus Office together with ERASMUSTERN consortium project partners. At the beginning of the workshop, an introductory event was organized for the participants to get to know each other better.

Dr. Akince answered the questions of the participants after his presentations.

## Workshop on "The Impact of Erasmus Placement Mobility and Grant on Internationalization" (SDG 1,4,8,17)

As part of the International Staff Mobility Week coordinated by Abdullah Gül University Erasmus Office, our ERASMUSTERN consortium project partner, Sabancı University National and International Internship Officer Fatma Çevik organized a workshop on "The Impact of Erasmus Placement Mobility and Grant on Internationalization".

The workshop was attended by staff responsible for internationalization from higher education institutions from Portugal, Germany, Bulgaria, Greece, Romania, Latvia and Spain. After the presentations, Fatma Çevik answered the questions of the participants about internships and Erasmus internship grants.

# Workshop on "Greener Journeys: Travel Carbon Footprint" (SDG 7,13)

AGU Sustainability Office hosted "Greener Journeys: Travel Carbon Footprint" workshop within the scope of the International Staff Mobility Week organized with Abdullah Gül University Erasmus Office ERASMUSTERN consortium project partners.

Following their presentation on "Sustainability at Universities", the Sustainability Office ex-

plained to the participants how to calculate the carbon footprint of travel and accommodation.

Participants from Portugal, Germany, Bulgaria, Greece, Romania, Latvia, Greece, Romania, Romania, Latvia and Spain calculated their own travel and accommodation carbon footprint according to the distance of their country of origin.

## Erasmus Orientation Meeting

AGU Erasmus Office organised an Erasmus Orientation Meeting for our students who will participate in Erasmus Mobility. Before the mobility, during and after the mobility processes were explained to our students who will participate in the mobility.

At the same time, we answered the questions of our students.

## Orientation Course

Erasmus Office Lecturer Levent DEMİR made a presentation within the scope of PSYC112 Orientation course and he informed the students about Erasmus Mobility.
