

Eurasia Higher Education Summit

Abdullah Gül University International Relations Office Coordinator attended the 9th Eurasia Higher Education Summit (EURIE) this year.

Within the scope of the summit, which was held with the slogan "Building Global Connections"; issues such as International Student Mobility and Experience, Sustainability and Equity in International Education, Quality Assurance and Global University Rankings, Regional Cooperation and Networks etc. were discussed by high-level representatives of different institutions from around the World.

More than 50 panels were held at the event with the participation of 154 speakers, face-to-face and virtually.

Ms. Nimet Bulut, shared her views on the panel with the topic of "Boosting Universities' 3rd Mission: Societal Impact and Sustainable Development".

Erasmus/Exchange Programmes General Information Meeting

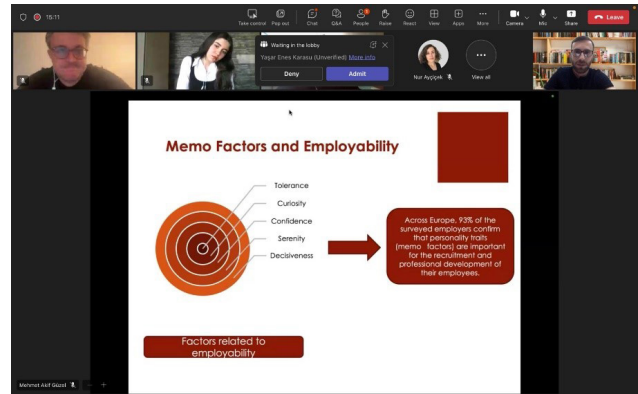

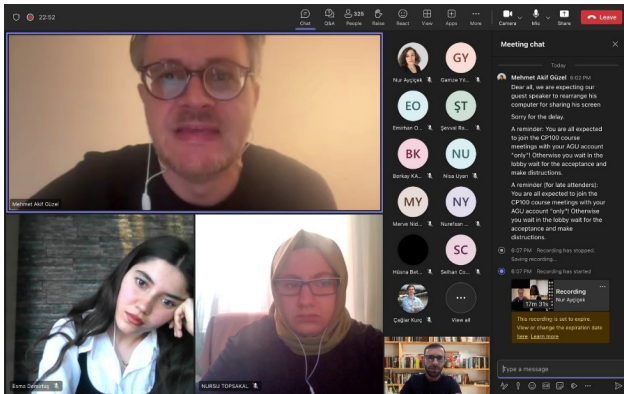

2024-2025 Academic Year Erasmus and Exchange Mobility applications have started. In this regard, Erasmus Institution Coordinator Lecturer Nimet Bulut and Lecturer Levent Demir made a presentation to inform AGU students about Erasmus+ study and internship, Exchange mobility, Erasmus application and further processes. After the presentation, students' questions were answered.

CP-100 Career Planning Course

In the CP-100 Career Planning Course, attended by approximately 350 people, Lecturer Levent Demir shared his experiences by giving information about the International Exchange Programs.

Also, an informative presentation on “Erasmus Impact on Personal and Professional Development” was made.

New Partnerships

Abdullah Gül University has increased its partnerships by signing new Erasmus agreements on an institutional and departmental basis;

- University of Minho
- "Dunarea de Jos" University of Galati
- University of Coimbra
- University of Technology of Troyes
- University of Zielona Gora
- PFH-Private Hochschule Göttingen
