**OMAR**  
AGU'S FIRST INTERNATIONAL GRADUATE

"I chose AGU for the University's innovative concept, vision, values and approach. At AGU, I received great opportunities for actual research work on fascinating projects and for collaboration with top-quality professors. AGU offers an ambitious learning environment where I could really turn all the acquired knowledge into concrete projects and practice."  
"The University has a very bright future and I believe in its positive impact on Education, Research and Society."
